This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Primo Communications, Inc. (Primo or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide interexchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted Primo authority to provide telecommunications services in the State of South Carolina by Order No. 2003-385, dated June 6, 2003.

Primo, by letter filed September 15, 2006, seeks cancellation of the Company's Certification. According to Primo, the Company is no longer offering telecommunications services in South Carolina.

As Primo is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Primo's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide interexchange telecommunications services in the state of South Carolina authorized by Order No. 2003-385, dated June 6, 2003, issued to Primo Communications, Inc. is hereby cancelled.

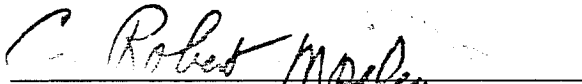

2. This Order shall remain in full force and effect until further Order of the Commission.
